Press Release

May 22, 2006

Grand Rapids, Mi. - The Qualifier for the Michigan Open Golf Championship was held Monday at Thousand Oaks Golf Club in Grand Rapids Michigan and Jim Rutherford from Action Termite & Pest Control of Manistee, Mi was there to try and secure a spot. After 18 holes of chilly and challenging golf Rutherford shot a 73 to secure a second place finish and his second trip to the Open Championship.

“The course was set up hard and fast as the higher than normal scores posted showed.” commented an elated Rutherford. “I’m just so happy to get another chance to prove myself at the Bear.” The Bear being the Nicholas designed course where the main event will be played June 26-29 at the Grand Traverse Resort in Traverse City Michigan.

“The last time at the Bear was my first time at the Open” said Rutherford. “My nerves got the better of me and I choked.” But Rutherford has worked hard on his game and feels he’ll make a better showing this time around. “My goal this year is ultimately to make the cut and play the entire event.” Said Rutherford “But as long as I play with confidence and have fun I’ll be satisfied.”
