Eugene Swain of Swain's Pest Control Honored with Life Membership to The Michigan Pest Management Association.

Eugene Swain of Swain Pest Control was nominated for Life Membership at MPMA's 2009 Winter Meeting . The motion passed unanimously.

Swain has worked in the pest control industry for over 50 years. He has also been an active member of the Michigan Pest Management Association. His dedication and contributions to the industry have not gone unnoticed. Swain received a plaque recognizing his Life Membership status.

The Michigan Pest Management Association was established in 1946 to promote, attain, and maintain a high standard of ethics in the pest control industry. To foster research and diffusion of knowledge of the industry and to promote education and training among its members. To promote safety in application of pesticides for the protection of the environment. To promote the social welfare of its members. To foster, promote, maintain, and encourage the civic, social, and industrial welfare of the industry. To do charitable acts. To cooperate with existing governmental authorities for the good of the community and industry.
