Smitter Family Presented with Lifetime Achievement Award in Honor of Val Smitter

At The Michigan Pest Management Associations' 2009 Winter Meeting, Val Smitter's son, John Koval-Smitter, accepted a Lifetime Achievement plaque on behalf of the family in honor of Val's dedication and contribution to the pest control industry.

Val Smitter passed away on November 25, 2008. Val worked in the pest control industry for over 60 years. He served many years on the Michigan Pest Management Association Board.

The Michigan Pest Management Association was established in 1946 to promote, attain, and maintain a high standard of ethics in the pest control industry. To foster research and diffusion of knowledge of the industry and to promote education and training among its members. To promote safety in application of pesticides for the protection of the environment. To promote the social welfare of its members. To foster, promote, maintain, and encourage the civic, social, and industrial welfare of the industry. To do charitable acts. To cooperate with existing governmental authorities for the good of the community and industry.
